ABSTRACTS FREQUENTLY ASKED QUESTIONS

WHAT IS AN ABSTRACT?

An abstract is a stand-alone statement that briefly explains, in a non-repetitive style, the essential information of a study. The abstract presents the purpose, methods, results and conclusions.

HOW MANY ABSTRACTS CAN I SUBMIT?

There is no limit to the number of abstracts an individual may submit, but the same research cannot be submitted twice, even under a different topic/category or with a different title.

CAN I SUBMIT AN ABSTRACT BY EMAIL?

No, abstracts can be submitted only via the online submission services. Any abstract sent by email will not be accepted and automatically returned to the sender.

HOW MUCH DOES IT COST TO SUBMIT AN ABSTRACT TO THE FAVA CONGRESS 2023?

Abstract submission to FAVA Congress 2023 is free of charge.

HOW WILL YOUR ABSTRACT BE ASSESSED?

The following criteria will be used when assessing the abstract :-

- Does the abstract address a relevant problem related to the theme and topics under FAVA Congress 2023?
- Is the methodology adequate and acceptable?
- Have the data/findings been interpreted appropriately?
- Are the results clearly presented?
- Are the conclusions supported by the presented data?
- Are the contents of the abstract clear and intelligible?

WHAT LANGUAGE CAN I USE IN THE ABSTRACT?

All abstracts must be submitted and presented in English using UK English spelling with accurate grammar and spelling suitable for publication.

HOW MANY WORDS SHOULD MY ABSTRACT CONTAIN?

Maximum of 300 words, or a maximum total size of the abstracts (shown as 100%), including the text with spaces. The maximum abstract size is 35 lines (3000 characters). The character limit does not include the title and the authors.

I HAVE SUBMITTED MY ABSTRACT, BUT I NEED TO MAKE A CORRECTION IN THE CONTENT/TITLE/ AUTHORS LIST. WHAT CAN I DO?

Once submitted, there is no possibility to correct the abstract content or information (such as authors list, topic, category....). In order to correct your abstract you must first withdraw it (see below withdrawal procedure) and then submit the updated version prior to the deadline. Note that such replacement of your abstract is not possible after the submission deadline. In the case of errors discovered after the deadline, you may indicate the correction on your presentation during the congress. However, changes will not be included in the publications.

CAN I SUBMIT THE SAME ABSTRACT TO ANOTHER CONFERENCE?

Submitted abstracts should not have been presented, nor published prior to FAVA Congress 2023.

CAN I SUBMIT AN ABSTRACT THAT HAS BEEN PREVIOUSLY PRESENTED OR PUBLISHED?

No, unless there are major updates in the data.

WHEN WILL I RECEIVE THE ABSTRACT ACCEPTANCE NOTIFICATION?

The abstract results will be sent by email to each abstract submitter in end-July 2023.

CAN I CHANGE THE ASSIGNED PRESENTER?

The submitter will be asked to assign the presenter upon receipt of acceptance. If the presenter needs to be changed afterwards, please send an email to abstracts@fava2023.com as soon as possible. In all cases, the presenter must be part of the submitted authors list and be able to present and discuss all aspects of the research. **NB** – Presenter changes will not be possible after the presentation upload deadline (Monday 2 October 2023).

WHAT DO YOU MEAN BY ASSIGNING AND TRANSFERRING RIGHTS AND COPYRIGHT TO THE FAVA?

The content belongs to the author(s) but if the abstract is accepted, the submitter agrees on behalf of all co-authors to give to the FAVA the right to reproduce and distribute the work submitted, including reprints, electronic forms or any reproduction for educational purposes of similar nature on a worldwide basis.

I NEED TO WITHDRAW MY ABSTRACT. HOW SHOULD I PROCEED?

The abstract submitter needs to send an email to abstract@fava2023.com with the abstract number and title, asking for withdrawal.

WHERE AND WHEN WILL MY ABSTRACT BE PUBLISHED?

One week before the Congress, all accepted abstracts will be available online via the online Scientific Programme.

CAN I CHOOSE THE FORMAT OF MY ABSTRACT PRESENTATION?

No, the final selection will be made by the FAVA Congress Programme Committee in June 2023. The format and scheduling of presentations cannot be changed.

WHERE DO I FIND THE INFORMATION ON THE PRESENTATION FORMAT MY ABSTRACT HAS BEEN ACCEPTED FOR?

The information related to your abstract presentation are available in the e-mail notification when notified of your abstract acceptance.
